Annual tuition may be paid monthly over 10 months (August – May) or 11 months (July – May).

Tuition payments are received through electronic withdrawal on the 5th or 20th of the month.

A 3% discount will be given if a student's tuition is paid in full by July 31st.

Application Fee: An application fee of \$270 per family is due with original application.

Student Fee: School districts—including public schools-- throughout the region, faced with financial challenges, have reluctantly imposed a "student fee" to pay for the costs of laboratory, technology, and enrichment materials. Dayspring Christian Academy, faced with the same challenges, has adopted a similar approach. To maintain the timely acquisition of necessary materials and equipment, the student fee is due by the first day of school, and is due on an annual basis.

Referral Tuition Credit is available to those families that refer another family to Dayspring. The referring family will receive 10% of what the referred family pays in tuition the first school year they attend Dayspring. The referring family needs to notify the office of their referral no later than 1 week after the new family has started school.

Discounts

(Available for full time students in Full Day Kindergarten -12th grade)

Multiple Student Discounts are now available for those families enrolling more than two children living in the same household. The discount applies to the entire tuition and will be applied prior to any other discounts. Additional discounts will be applied on the reduced tuition price. **The discount is 10% for 3 students and 15% for 4 or more students.** The Multiple Student discount may not be combined with the Pastor or Employee discount.

Pastor Discounts are available for licensed pastors, Para-church professionals and missionaries who derive more than 75% of their individual income from full time employment in a ministry. A 50% tuition reduction will be given upon receipt of a letter from the ministry stating their position with the ministry. The Pastor discount may not be combined with the Multiple Student or Employee discount.

Please see reverse side for information on tuition assistance.

Tuition Assistance

(Available for full time students in Full Day Kindergarten -12th grade)

The desire of Dayspring Christian Academy is to offer a Christian education to as many families as possible regardless of their social or economic status.

Tuition assistance is available on an annual basis contingent on funds available and financial need. We have contracted with a tuition assistance service to assist us in our tuition assistance process. All families interested must apply each year. Qualification does not carry over from year to year. To apply, go to www.cfslogin.com (School ID = 01151). Applications should be completed by April 1st each year. Any families beginning the enrollment process after April 1st may still apply for tuition assistance and it will be awarded contingent on availability of funds.

The total tuition assistance awarded may not exceed 50% of your tuition.

Who should apply?

A good rule of thumb is that if the tuition for your child/children exceeds 10% of your household net income (see chart below), you probably should apply. This is not a guarantee you will qualify but it is possible.

Tuition	Net Income	Percent	Apply?
\$4,600.00	\$46,000.00 or lower	10.0%	Yes
\$5,000.00	\$50,000.00 or lower	10.0%	Yes
\$5,300.00	\$53,000.00 or lower	10.0%	Yes
\$5,600.00	\$56,000.00 or lower	10.0%	Yes

Please Note: Accepting tuition assistance from Dayspring requires families to participate in all of our fund raising efforts. This includes Scrip* (\$300 per month minimum), and our all-school door-to-door sale each fall. Failure to participate in these two fundraisers will result in forfeiting the tuition assistance.

*Scrip is the term we use for gift certificates from over 80 different local and nation-wide merchants that we purchase at a discount and sell to our families at face value. These certificates can be used for things you are already buying like groceries and gasoline.
